PROFESSIONAL EXPERIENCE

Hasan Hashmi 🔗
Full Stack Developer
Oct 2021 – Sep 2024 | Pune, India
Front-End Developement, Back-End Development,
Database Desgin , API Creation & Integration,
Figma

CERTIFICATES

IBM SkillsBuild Front End Development
I have successfully completed a two-week virtual internship in Front End Development as part of the IBM SkillsBuild Program.

PROJECTS

Igenomix Tracking System 🔗
Developed a tracking system for managing consignments between office and clinic locations, featuring real-time updates on receipt and dispatch dates, as well as comprehensive consignment reports.

AC App 🔗
Contributed to implementing key functionalities for AC App and Website, a learning platform for students and professionals, as part of the Flymingo Tech team.

Quarterpillars 🔗
QuarterPillars is a social media app fostering connections through shared interests, offering users a dynamic platform to engage, share, and explore content tailored to their preferences.

🏅 AWARDS

Finalist at Innovation to Enterprises (i-2-e) Savitribai Phule Pune University
2022
I led a team of four in the Innovation to Enterprises (i-2-e) Competition organized by Savitribai Phule Pune University from December 2019 to 2022. Out of 1500+ participating teams, we advanced to the final round, presenting our herb-based startup, Azamdeal (www.azamdeal.com 🔗). I delivered the business pitch, covering the breakeven point and funding requests at the national level.

🎓 EDUCATION

Bachelor of Business Administration (Computer Application)
Savitribai Phule Pune University 🔗
Jul 2020 – Jun 2023 | Pune, India
CGPA: 9.51

Bike Junction 🔗
Bike Junction App makes bike maintenance easy with a user-friendly interface and expert technicians. Book services effortlessly, from routine check-ups to major repairs, and let our skilled mechanics handle the rest.

Bike Junction Admin 🔗
Bike Junction Admin is a comprehensive tool for bike shop owners, offering features like inventory management, customer relationship tools, and sales tracking to streamline operations and enhance service.

AzamDeal 🔗
Contributed to the implementation of key functionalities for the AZAMDEAL website and developed the corresponding app, a platform providing precious herbs, as part of the Flymingo Tech team.

Jalanta Stays 🔗
Contributed to implementing key functionalities for the Jalanta Stays website, a platform connecting villa owners with hospitality seekers, as part of the Flymingo Tech team.

NotePadZS 🔗
NotePadZS is a simple and lite weight notepad app that allows you to capture your thought and organize your notes.

Jalanta Stays Menu 🔗
Contributed to implementing menu management and culinary selection features for the Jalanta Stays website, enhancing villa booking experiences, as part of the Flymingo Tech team.

Kokannest Information Technology 🔗
Kokannest Information Technology specializes in the proficient development of dynamic websites and innovative applications, ensuring an elevated digital presence for our discerning clientele.
